

Seminole Athletics – Online Sports Physical Submission Information for the 2023 – 2024 School Year

All sports physicals and required documents must be submitted online for clearance to participate in athletics at Seminole High School. For parents, this process eliminates the need to “DROP” paperwork to the school or “SEND” it with your student-athlete.

Online Athletic Clearance FAQ

What is my Username? Your username is the email address that you registered with.

Multiple Sports If you know you are going to play multiple sports when registering, it is best to add all sports on the first step where you also select the school year and school. If you are registering for additional sports after completing your initial clearance for the year, you will have to complete the process again. The good news is that if you select the student & parent/guardian info from the drop-down on those respective pages, the information will autofill.

Physicals You must use FHSAA Form EL2 (NEW FORM 3/2023). Take it to your physician for a physical exam. You can download this form from your athleticclearance.com account, Medical History page. You may also request or pick one up from the SHS Athletic Department or download it from the Athletics page on the school website. Wellness Exam Certificates cannot be accepted. You must submit the completed EL2 physical form (page 4 ONLY) online by uploading in the Files section.

ECG Screening You may upload the ***Who We Play For*** email noting your name, ECG Screening date and results, or the **SCPS ECG Form - 1615** (found on our website). ECG Screening is *required* and valid for 5 years.
